PREGNANCY QUESTIONNAIRE AND WAIVER

Receiving Ketamine and/or drugs during pregnancy may be harmful to a developing fetus. It is the policy of Elev8MD that women who are pregnant or breastfeeding or who may be pregnant should not undergo IV Ketamine Infusion.

If you are a woman who is or is breastfeeding, or if there is a chance you may be pregnant, please inform staff immediately. You have the option of taking a pregnancy test in our office prior to your infusion.

Are you currently pregnant or breastfeeding?

Yes

No

Is there a chance you may be pregnant?

Yes

No

Would you like to take a pregnancy test prior to your infusion today?

Yes, I would like to take a pregnancy test.

No, I have been offered the option of taking a pregnancy test and I decline.

Should you decline to take a pregnancy test, by your signature below, you agree to waive, release, and discharge any and all liability, claims, demands, actions, or causes of action against Elev8MD Wellness Center or its employees, staff, physicians, and agents from any and all loss, claim, damage, injury, illness, fees or harm as a result of the administration of IV Ketamine Infusion during pregnancy. **You also agree to notify Elev8 MD Wellness Center if your pregnancy status has changed since signing this form.**
